To Whom It May Concern:

It is my pleasure to write this letter of recommendation for Brock Wedsworth.

Last year, I instructed Brock in the Financial Accounting Fundamentals course and in the Marketing: Goods, Services and Events course at Abbey Park High School. In the accounting course, Brock demonstrated attention to detail and critical thinking skills through his preparation and analysis of financial statements. In the marketing course, Brock demonstrated the ability to work well with his peers and creative problem solving techniques when creating and analyzing marketing plans.

This past quadmester I instructed Brock in the Business Leadership: Management Fundamentals course. Brock adapted quickly to the hybrid learning model. He joined all in-person and online classes punctually. He demonstrated strong initiative skills by consistently participating in our online environment and asking for assistance if required. He also demonstrated impressive collaboration skills by participating in online discussions and breakout Google Meets with his peers.

Based on my observations of Brock's abilities, I believe he will be a strong candidate for any post-secondary program. Please do not hesitate to contact me if you require any further information.

Best regards,

*D Maser*
